

Christ Amlai

London, United Kingdom

christos@bauherren.ovh • bauherren.ovh/~christos

Interested in software efficacy with an ambition to excel. Actively seeking apprenticeships in software to improve existing abilities and develop new skills

Software Skills

Go, Python, Shell, AWK, HTML/CSS, PostScript, LaTeX, *roff

Linux/OpenBSD server administration, Git, nginx/httpd, systemd/rcctl

Experience

WebDev | jpnuuk.org.uk • gaipcht.org

'23 - present

Responsible for managing a human-rights organization website

- Used Debian and Nginx to power sites
- Wrote POSIX shell to sort and format through archive material

Projects

cork

bauherren.ovh/s/cork

Performant lightweight static site generator in RC shell

- Displays directory structure intuitively through nested html lists
- Small and extensible shell codebase
- Leverages Plan9 core-utils as opposed to GNU, for speed

bq

bauherren.ovh/s/cork

configurable line-oriented editor in Go

- Ergonomic text editing focused on fewest operations

Education

LAE (Stratford) | A-Level

September 2021 – 2023

- (B, B, B), Economics, English Literature, Geography
